- 3). Agree up to the displayed of first provisional merit list.
- 4). That the role of ETEA is to just conduct test and displaying of provisional/tentative merit list liable to be amended/corrected by the notified scrutiny committee in accordance with rules and advertisement policy. That's why during scrutiniztion phase while calculating his academic marks, he was declined to Serial No 09 in second tentative merit list due to increasing in academic score of 3, others candidates in the said UC.
- 5). Agreed up to the distribution and advertisement of vacancies in the said U.C as well as the fluctuating position of petitioner in merit list. For the redressel of various complaints during scrutiny phase as mentioned above 2nd, 3rd and final merit lists were displayed in which the petitioner was declined below to serial no. 15, after awarding single benefit for MBA degree, and up to serial no.10 candidates were recommended for appointment. (Copy of final merit list is attached as annexure.....(A)).

- 6). Agree, the petitioner and same like others who got MBA (3.5 Years) degree which is equivalent to 18 Years of education were deferred whether they should provide double benefits of both masters and M.phil or not. There were divergent of opinion regarding the status of double benefits, but after thorough observation, investigation and keeping in view the Judgement of Honorable Supreme court of Pakistan announced on September 2015 in a case titled " Sher Malook versus Govt of Khyber Pakhtunkhwa Education department & others " consensus was developed that double benefits will not be awarded on MBA degree. Although no favouritism or nepotism canon of single benefit was awarded to MBA candidates like the petitioner. (Copy of Judgement is attached as annexure.....(B)).
- 7). That the petitioner placing on S No 15 was occurred because of the reason as best explained in Para 06 it is due to reduction of marks of awarding single benefit on MBA degree. Hence, the scrutiny committee while exercising powers conferred in the Honorable Supreme Court of Pakistan did not split the MBA degree in to two, and his score was reduced to 122.82
- 8). Incorrect, as there is no mechanism of calculation for MBA is given in advertisement, therefore his case was deferred on technical ground and kept on the discretionary powers of scrutiny committee and the same was decided in accordance with the rules framed by the Honorable Supreme Court of Pakistan in his Judgement as explained above.
- 9). That the respondent department has been betterly explained his statement regarding merit position of petitioner, though his objection over appointment of respondent No. 5, is illogical and out of context.
- 10). That the respondent department equally awarded single benefit on MBA degree to all candidates having the same degree with same credit hours for the safeguard of fundamental rights clause 8 sub (2) of the constitution of Pakistan 1973. (Copies of other candidates final merit list having same degree with similar treatment are attached as annexure.....(C)).

OBJECTIONS ON GROUNDS

- A). Agree with the tabulation of marks calculation formula up to some extent.
- B). Agree with the equivalency of MBA to M.Phil degree.
- C). Agree up to the equivalency but as explained that double benefits can not be awarded to MBA degree because there is no as such mechanism given in advertisement for MBA degree because of his previous nature/status. Albeit, the respondent department accepted its equivalency to M.Phil degree in 3.5 years of completion period.
- D). That every district is responsible to answer for his process of recruitment and decision making in accordance with law. However, the issue related to awarding of double benefits regarding MBA is not given in advertisement, therefore, every district decided it on his own consensus building of scrutiny and DSC committee members.

- E). As best explained above that every scrutineer committee has its own discretionary powers regarding to the issue/policy, not properly framed before or dynamic in nature. Here the subject matter is equality and similar treatment in the same nature cases, therefore the department had never violated the rights of every single candidate because in the past it was awarded for double benefits equally for each and every candidate having the same degree with same credit hours and in the recent recruitment process it was decided that only a single benefit will be awarded to MBA degree holders because it can not be split into two keeping in view the judgements of honorable Supreme court of Pakistan as a yard stick for it. Hence equal and fair justice was provided to every and each candidate having the same degree of M.Phil with same credit hours of 3.5 years under the fundamental rights of 1973 constitution of Pakistan.
- F). As the respondent department has been cleared his stance in above with detail, hence no comment.
- G). That just like petitioner similar degree holders were treated in the same appointment order with similar manners.
- H). Incorrect, respondent No.5, is irrelevant to respondent department because the department did what the law & justice and rules demanded.
- I). Incorrect, the whole process of PST recruitment 2021-22 was done in accordance with rules and advertisement policy. And the issue of MBA regarding double benefit was not cleared which was decided in accordance with the judgement as explained above.
- J). That the action of the respondent department is not exploitative and discriminatory in accordance with law.

Prayer

It is humbly prayed that this writ petition has no value and may kindly be dismissed.

JUDGMENT

IJAZ ANWAR, J. Through this petition, the petitioner has prayed this Court for issuance of an appropriate writ directing respondents No. 1 to 4 to place the name of the petitioner in G.G.H.S Total Code No. 262003 on the top position and be appointed against the post of C.T General. She has further prayed that Respondents No. 5 to 8 be declared not entitled to the post of C.T in the same school on the legal grounds raised in the writ petition.

C.T General (BPS-15) in different schools of District Malakand. Petitioner also applied for the said posts and appeared in the N.T.S test. As per assertions of the petitioner, the N.T.S displayed the first provisional merit list on 26th December, 2015 wherein she was placed at top position in G.G.H.S Totai by securing 108.92 marks. Thereafter, Respondent No.4 (Director E&SE Khyber Pakhtunkhwa) issued another provisional merit list wherein private Respondents No. 5 to 8 were shown higher in merit than the petitioner. The petitioner made a request to the concerned authority vide query dated ~~26/12/2015~~ for rectification of the illegality but so far no response has been given, hence, this writ petition.

3. Learned counsel for the petitioner argued that as per the final merit list, the name of petitioner was placed at Serial No. 4 while the respondent No. 8 was figured at Serial No. 3, however, she has the qualification of B.S (Hons) at her credit and quite illegally the respondent No. 8 has been awarded marks for Bachelor degree as well as for master degree and thus she was given

preference over the petitioner. Learned counsel argued that the double marks for the same qualification are not permissible under the law.

4. Learned A.A.G. argued that as per the policy instances of the respondent department, in case of 4-years B.S program/B.S (Hons) if equivalent to Master degree the candidate shall be allowed 20 marks for B.A/B.Sc and 15 marks for M.A/M.Sc. He also placed on file an appointment order dated 15.05.2017 and contended that the petitioner has recently been appointed pursuant to another advertisement, therefore, her petition has become ~~infructuous~~

5. Arguments heard, record perused.

6. Learned counsel for the petitioner was confronted with the order of appointment dated 15.05.2017 he, however, insisted that the colleagues of petitioner were appointed way back on 29.02.2016 and, therefore, she will press this petition and in case the petition is allowed, she would prefer to join the appointment against the old post with her colleagues.

7. Perusal of the record reveals that Respondent No. 8 was holding the qualification of B.S 4-years program and she was allowed marks for Bachelor as well as Master degree. We are also informed that Respondent No.8 has not joined the job pursuant to the order of appointment dated 29.02.2016 and that post remained vacant. This Court vide judgment dated 20.11.2014 in W.P No. 518-M/2014 dismissed the identical petition wherein double marks on the basis of B.Sc (Hons) 4-years degree had been claimed. Relevant Para of the judgment is reproduced for convenience.

"So far as the question of equivalency of B.S (Honor) degree to Bachelor degree and to M.A/M.Sc are concerned, suffice it to say that the same may only be considered where the minimum qualification for the post is provided as M.A or M.Sc. The equivalency of B.S (Honor) degree shall entitle a candidate only for competing with the candidates possessing the MS/M.Sc degrees. The same degree even obtained in 16 years studies would not confer a right of double marking on him".

8. The judgment of this Court was challenged in C.P No. 59 of 2015 before the apex Court, however, the judgment and order of this Court was maintained vide order dated 01.09.2015. Since this Court has already dealt with an identical

and held that double marks cannot be

Hence, we while respectfully following the judgment of this Court, allow this petition and direct the respondents to allow appointment to the petitioner w.e.f 16.02.2016 i.e the date when her other colleagues were appointed. Petitioner shall be entitled to her seniority, however, she will not be entitled to arrears.
